

PICKING OFFICIALS IN MANY CITIES

Republican Victories Recorded in the City of Chicago and at Other Places.

CHICAGO, April 5.—In the Municipal election today the Republicans elected eighteen Aldermen, the Democrats sixteen, and one Independent Republican, who repudiated the "machine" in the Sixth ward, was chosen a member of the Council. The last Council was composed of thirty-six Republicans, thirty-two Democrats, one Independent Democrat and one Socialist. The present Council will be composed of thirty-six Republicans, thirty-one Democrats, two Independents, one of whom is a Democrat and the other a Republican, and one Socialist.

The chief interest in the election, however, centered in the vote on proposed municipal ownership of the street railways. In this connection what is known as the "Muller law," passed by the last State Legislature, was submitted to the people. The law authorizes cities in Illinois to construct, own, operate and lease street railways, and to provide the means therefor. On this proposition the vote stood 125,481 for the proposition and 30,794 against it. The proposition that the city should take over the street railways into its control the vote stood 120,744 for and 30,845 against.

For the temporary licensing of street railways until such time as the city is prepared to take them over, the vote was 120,741 for and 30,845 against. On the question of whether or not the members of the Board of Education should be elected by direct vote of the people instead of by executive appointment and a confirmation by the City Council, the vote was 115,352 for and 35,432 against.

ST. JOSEPH, Mo., April 5.—The Democrats elected Mayor and two Councilmen today, the remainder of the Republican candidates, including the Judges, City Attorney, Comptroller, President of the Council and two Councilmen, being successful. The present administration is a Republican.

OMAHA, April 5.—Municipal elections were held in Nebraska today, except in Omaha. The issue generally was on the question of whether or not the city should take over the street railways. In Omaha the campaign in South Omaha was hotly contested on party lines. Returns received to 10 p. m. show the Democrats have elected Thomas Hector Mayor, with the remainder of the ticket Republican. A large majority of the outside towns reporting thus far have voted for high license.

MILWAUKEE, Wis., April 5.—Mayor David S. Rose, Democrat, carried the city in the municipal election, having a plurality of 202 over Guy D. Goff, Republican. Victor L. Berger, Socialist Democrat, ran over 2000 votes. The vote for Mayor was: Rose, 23,515; Goff, 15,900; Berger, 15,323. The Democrats also control the Common Council, electing twenty-four members; Republicans thirteen; and Socialist Democrats nine.

MILWAUKEE, April 5.—Returns from municipal elections in the State of Wisconsin outside of Milwaukee, showing that the Democrats have carried the majority of the cities. The vote for Mayor was: Rose, 23,515; Goff, 15,900; Berger, 15,323. The Democrats also control the Common Council, electing twenty-four members; Republicans thirteen; and Socialist Democrats nine.

KANSAS CITY, Mo., April 5.—J. H. Neff, Republican, and the entire Republican ticket were elected by 1000 plurality. The Republicans will probably control the new Council.

NEBRASKA. LINCOLN, Neb., April 5.—The Republicans elected their city ticket today by a majority ranging from 99 to 100. The proposition to vote bonds for a municipal lighting plant carried.

DENVER, Colo., April 5.—Municipal elections were held in several of the towns of Colorado today. No elections were held in any of the larger cities. At Rockvale, Coal Creek and Williamsburg, coal mining camps, labor union tickets were successful. At Montrose a taxpayers' ticket was elected, high license being the issue.

Breckenridge, Alamosa and Lake City were carried by the Democrats. At Akron and Wray high license was the issue and won. Nearly all the remaining towns at which elections were held had but one ticket. A proposition for municipal ownership of the city waterworks was defeated at Walsenburg.

NEW MEXICO. DENVER, April 5.—Elections were held in the cities and towns of New Mexico today. The Republicans were victorious at Las Vegas and Gallup and the Democrats at Santa Fe.

KANSAS. KANSAS CITY, Kan., April 5.—Elections for minor offices were held in the larger cities of Kansas today. In Topeka Lawrence and Wehrle the Republicans defeated all their candidates, and in Lawrence and Kansas City the Democrats and Republicans elected a majority of the officers.

TACOMA, Wash., April 5.—The city election today resulted in a mixed victory. The Democrats elected George P. Wright Mayor and four Councilmen and the Republicans Controller, Treasurer and two Councilmen.

The defeat of Mayor Campbell for reelection was due to opposition from the party term and the Mayor's alleged friendship for Gov. McBride. It being reported there was a combine between them on State and Senatorial candidates.

POCATELLO, Ida., April 5.—At the city election today the Republicans elected every candidate except Treasurer. The following minorities: Schwehart, Mayor, 30; Dred, Clerk, 21; Sonnenkalt, Engineer, 30; Williams, Councilman First ward, 31; Condon, in the Second ward, 40; Mullen, in the Third ward, 40; Smith, in the Fourth ward, 31. The Democrats elected Mrs. Birch Treasurer by 100. The day was fine and 210 votes were cast, which is the largest ever cast in the city. The result was a surprise to the Republicans as well as the Democrats. The Socialist vote was about 150 in the town.

BOISE, Idaho, April 5.—Town and city elections were held throughout Idaho today, excepting Boise. In Lewiston, party lines were not drawn except in a few instances. In nearly all places the issues were local, the chief one being that of enforcing the law against gambling.

So far as heard from, the gambling candidates have won quite generally. In southern Idaho, party tickets were run in Pocatello, Idaho Falls and Rexburg. In the latter place the Democrats elected the Mayor and the Republicans got all the other places.

Idaho Falls. Special to The Tribune. IDAHO FALLS, Ida., April 5.—The Democrats elected Callman for Mayor, the City Treasurer and one Councilman. The Republicans elected the clerk and two Councilmen.

WAR FLEETS OF RUSSIA AND JAPAN DROP OUT OF SIGHT.

No Trace of Ships of Either Belligerent Can Be Found.

LONDON, April 5.—A St. Petersburg correspondent says that the Russian general staff is convinced that the Russians will await a Japanese attack on the right bank of the Yalu. They are now busily fortifying the mouth of the river. A remarkable bridge has been constructed on the prolongation of the Wiju line connecting it with Pin-hu-jan.

The correspondent says the Russians are seeking to draw the Japanese on by sending small groups across the river. A correspondent of the Times, calling yesterday afternoon, says he has been cruising for fifty hours in the vicinity of Port Arthur and has seen no signs of the navy of either belligerent, not even scout boats, but that he has seen large flotillas of junks steering northwest, presumably going to Loolishin to land provisions for Port Arthur.

Story of Bombardment. An Associated Press correspondent at Port Arthur gives picturesque details of the last attempt of the Japanese to block the harbor as follows:

"Following a reconnaissance the Russian fleet returned and anchored in the interior of the harbor. After midnight the darkness became more intense and searchlights were constantly in operation piercing the gloom. Suddenly a shot thundered, and then a second and then a third. Golden Hill and Tiger Cliff opened fire when the enemy was discovered."

"From the battleship Petropavlovsk a launch put off with Vice-Admiral Makarov and other officers heading for the gunboat Bobr. At the same time the torpedo boats Sini and Reshetnik signaled to prepare for action and to attack the enemy."

The gunboat Otavay discharged her six-inch guns and the torpedo boat Sini fired a broadside while hurrying toward the enemy and let go a torpedo, which struck the prow of the first Japanese steamer, carrying it away."

"Other Japanese gunboats came on at full speed, raining Hotchkiss bullets at the Sini, which fired a second torpedo at the steamers and then ran aground. The commander of the Sini discovered five of the enemy's destroyers further away and the big ships valiantly rushed to attack, firing their guns as they did so. The enemy then separated and disappeared in the darkness."

Escaped in Small Boats. "Meantime the Bobr and the Otavay continued to fire on the stranded steamers and on the small boats putting off from them."

Commander Travinsky of the Reshetnik saw a large steamer making toward the center of the channel, fired a torpedo, which exploded on the side of the target. Lieut. Krinitzky, commanding the Sini, having fought five of the enemy's ships for a long time in the darkness, was himself wounded, and his chief engineer and six men were killed."
